POWERFUL WASHING
WITH FLEXIBILITY AND HIGHER PRODUCTIVITY

RELIANCE®
VISION
Single Chamber Washer/Disinfector

One Integrated Approach to Healthcare.
Reduced drying time with our unique four-sided air inflow while recycling the air for maximum efficiency

Increased throughput to reprocess up to 33% more trays in an 8 hour day compared to competitors with similar models

Full Coverage Spray Pattern combines our efficient cross pattern spray arm nozzles, impingement options and dual speed pumps

Fast 20 minute standard instrument cycle, including drying time

Provides complete and maximum coverage, longer spray arms with angled nozzles to ensure no area is left untouched

Reliability Vision Single Chamber Washer/Disinfector uses up to

36% LESS WATER per cycle*

Concentrated and Biodegradable Chemistries

Reliability Vision Single Chamber Washer/Disinfector are designed to minimize their impact on the environment. The Reliability Vision Single Chamber Washer/Disinfector delivers financial savings and an overall lower total cost of ownership, while consuming less water and energy.

Lower Total Cost of Ownership

Concentration and Biodegradable Chemistries

Reliability Vision Single Chamber Washer/Disinfector

Brand A

28 GALLONS PER CYCLE

Brand B

36 GALLONS PER CYCLE

44 GALLONS PER CYCLE

Reliability Vision Single Chamber Washer/Disinfector take productivity to elevated heights, making it a smart choice for high-volume CSSD's.
EASE OF USE

- Cool touch handles allow for safe and immediate handling of loads following completion of cycle
- All racks are conveniently designed for easy load and unload from all sides
- Self-flushing centrifugal filter system prevents spray arms from clogging and helps minimize maintenance
- Increase staff confidence and safety with our intuitive LCD large touch-screen control panel which provides clear visibility and access to critical information

Size (W x H x D):

| Exterior Dimensions: | 42 x 80-3/4 x 32 (1067 x 2051 x 813) |
| Chamber Dimensions: | 26-1/2 x 26-1/4 x 25-1/2 (673 x 667 x 648 mm) |
| Load Height: | 31" (787 mm) above finished floor |
