This on-site training at your facility for Equipment Technicians will provide you with the knowledge to operate, troubleshoot and perform preventive maintenance on the AMSCO 400 Medium Steam Sterilizer.

**Course Goal:** This course provides the student with an in depth understanding of how to operate the AMSCO 400 Medium Steam Sterilizer and perform common troubleshooting and adjustments. The student will learn the theory of operation and functional descriptions for major components and how to access the STERIS website for technical information, technical assistance or place a service request.

*Please note when STERIS conducts training at your site, in order to maintain the operational readiness of your equipment during the training, this training does not rebuild or replace any components that could make the equipment non-operational.*

**Course Outcomes:** At the end of this course, the student will be able to:

- Verify all utilities are available to operate the AMSCO 400 Medium Steam Sterilizer.
- Operate the AMSCO 400 Medium Steam Sterilizer in normal and service modes using the control display touch panel.
- Locate the preventive maintenance schedule and learn how to use it to perform preventive maintenance on AMSCO 400 Medium Steam Sterilizer.
- Perform common troubleshooting and adjustments.
- Put the AMSCO 400 Medium steam sterilizer into a safe state.
- Clean the AMSCO 400 Medium steam sterilizer.
- Access the STERIS service websites for assistance.
**Duration:** One Day

**Training Location:** Your Facility

**Why Train At This Location:** Training can be tailored to fit your specific needs and scheduled to fit your timeframe, at a time and location that is most convenient to your staff. Without ever leaving your facility, your staff can gain new skills, boost their confidence, and improve their productivity.

**Target Audience:** Healthcare Biomedical Equipment Technicians and Hospital Maintenance Technicians

**Prerequisites:** None

**Min./Max. Class Size:** One to Five

**Equipment Needed:** Operational AMSCO 400 Medium Steam Sterilizer, meeting room, projector (optional), tools, personal protective equipment, fall protection

**Assessment:** None

**Evaluations:** End of course evaluation
