DRIVING INNOVATION.
DELIVERING THROUGHPUT.
From the people who set the standard for Low Temperature Sterilization.

The New Standard for Productivity and Convenience

V-PRO®60
Low Temperature Sterilization System

One Integrated Approach to Healthcare.
MORE THROUGHPUT. MORE SAVINGS.

Choose Your Cycle, Choose Your Device and Stay on Schedule

Reprocess more devices, faster than ever before to keep up with fast-paced demands of your environment.

Easy to Use and Operate

Simple, intuitive on-screen prompts make it easy for staff to learn and operate.

** INCREASED PRODUCTIVITY. REDUCED EXPENSE. **

* Savings based on U.S. Government average contract pricing for V-PRO Sterilizers and STERRAD Sterilizers in 2018
** With Celerity® 20 HP Biological Indicator

PRO-LITE™ Sterilization Trays

Designed specifically for V-PRO Sterilizers, optimize loading capacity and increase weight capacity.

Fastest BI Results in the Industry

celerity™ 20 HP Biological Indicator

• 20% faster than leading competitor
• Accelerated load release means improved productivity
• Innovative glass-free design ensures staff safety
• Works with all V-PRO® Low Temperature Sterilization System models
