PEACE-OF-MIND
YOU’RE MEETING INDUSTRY STANDARDS

EASE-OF-USE
FROM THE TRUSTED NAME IN STERILIZATION

One Integrated Approach to Healthcare.
VERIFY® Bowie Dick Test Pack

**Easy-to-use, easy-to-interpret all-in-one**
test packs make air removal testing and verification simple

- **Self-contained**, ready to use design
- Single-use, easy to dispose
- Easy record-keeping as indicator sheets can be used in log books
- **Easy-to-interpret** design helps identify potential sterilization failure

**Failing Test Results**

A failing Bowie Dick Indicator result can be caused by several conditions, including but not limited to:

- Air leak
- Presence of Non-Condensable Gas (NCG)
- Presence of moisture/wet steam
- Superheated steam
Maximize budget using this simple test card design
• Easy-to-use, record test directly on the card for record keeping
• Space saving – cards store in very little space and are ideal for small sterilizers

Dart® Daily Air Removal Test

• Challenging, dead-end lumen design features single-entry point for air removal and steam penetration

VERIFY® Bowie Dick Indicator Strip

Validated for use with VERIFY® All-In-One STEAM Reusable Test Pack
• Maximize budget with a test pack that can be reused up to 200 times
• Green solution – recycling results in smaller environmental footprint
Celerity™ 20 STEAM Biological Indicator

- 20-Minute Bi read for validated steam sterilization cycles

Celerity™ Xtend 10 Assembly

- BI/CI validated solution for 10-minute cycles
- Use the ready-to-go Celerity Xtend 10 Assembly in conjunction with the VERIFY All-In-One STEAM Reusable Test Pack for extended cycle monitoring.
