<b>PRODUCT NAME:</b>	<b>PRODUCT NUMBER:</b>
VERIFY <sup>™</sup> Spore Test Strip for S40 Sterilant	LCB001
<b>SHIPPING INFORMATION:</b>	<b>NOT RESTRICTED</b>

This product is NOT a hazardous product according to the OSHA Hazard Communication Standard, 29 CFR 1910.1200. The Spore Test Strip utilizes spores of *Geobacillus stearothermophilus*.

In the Case of Accidental Exposure, Take The Following Precautionary Measures:

**EYES:** Immediately flush eyes with plenty of water for 15 minutes. Get medical attention if irritation persists.

**SKIN:** Immediately wash with soap and water. Get medical attention if irritation develops.

**INGESTION:** Give water to drink and get medical advice.

**INHALATION:** Remove to fresh air. Get medical attention for any breathing difficulty.

**Spore Test Strip Handling and Disposal:**

**Handling and Storage Precautions:** 2-24°C, 30-80% relative humidity away from sterilizing agents; do not expose to excessive heat.

**Waste Disposal Methods:** Culture media showing growth and expired spore test strips: before discarding, treat as appropriate for standard microbiological waste, non-pathogenic species, e.g., steam autoclave at 121°C for not less than 30 minutes; incinerate or use other suitable means. Media showing no growth and expired culture media: vials can be discarded as standard waste.

The information on this sheet is not a specification and does not guarantee specific properties. The information is intended to provide general knowledge as to health and safety based upon our knowledge of the handling, storage and use of the product. It is not applicable to unusual or non-standard uses of the product or where instruction or recommendations are not followed.
